

CHARITY CHARGE

The Only Credit Card  
Designed For Nonprofit  
Expenses

The Charity Charge Nonprofit Business Card® is the only credit card designed specifically for nonprofits, enabling organizations to earn 1% Cash Back on every purchase as an automatic credit to their monthly statements.

- Zero costs for nonprofits
- No personal guarantor required
- Add and control authorized sub-cards

Automatically earn cash back for your organization every month.

Streamline your expenses and minimize auditing errors by consolidating your spending.

Eliminate personal credit checks and the risk associated with personal guarantees.

"When we learned that we could support environmental solutions through our own business expenses by shifting to a Charity Charge credit card, it was a no brainer! We like that using the card integrates giving back into every purchase we make- that feels good and is truly powerful. Imagine if every organization, for profit and nonprofit, made this choice!"
